Placements of Students during 2023-24

The college has been creating records year after year. In spite of a huge recession year with about 75 companies visiting CVR and above 900 placements for the 2023-24 academic year, it is the highest among the peer group of colleges. The average salary increased to a new high. The highest offer is a remarkable Rs. 33,00,000 and more than 100 students got offers with high salaries, a new record. About 225 offers are higher than Rs. 6 Lakhs. With this, CVR becomes one of the leading colleges in the state in terms of the offers with higher salaries for this year. The placement percentage is higher compared to many premier institutions not only in the state but also in the country*.
