Placements of Students during 2020-21

The college has been creating records year after year. With more than 120 companies visiting CVR and above 1300 placements for the 2020-21 academic year, it is the highest among the peer group of colleges. This is the first time that CVR has crossed 1300 placements (what a way to celebrate the 20th anniversary of CVR). The highest offer is a remarkable Rs. 30,50,000 with several students getting it. About 60 students got offers higher than Rs. 8 Lakhs. More than 300 offers are higher than Rs. 5 Lakhs (a record). With this, CVR becomes the leading college in the state in terms of the offers with higher salaries. CVR has the highest placement percentage in the entire state.
