Higher Education

Placements of Students during 2024-25

The college has been creating records year after year. In spite of a continued recession with about 90 companies visiting CVR and close to about 1000 placements for the 2024-25 academic year, it is the highest among the peer group of colleges. The average salary continues to increase to a new high. The highest offer is a remarkable Rs. 72,00,000 and more than 150 students got offers with high salaries, a new record. About 250 offers are higher than Rs. 6 Lakhs. With this, CVR becomes one of the leading colleges in the state in terms of the offers with higher salaries for this year. The placement percentage is higher compared to many premier institutions not only in the state but also in the country*.
